Print Panel Competition Rules

There is a separate Print Panel Competition held each season.

No set categories are specified, thereby allowing the widest possible choice of subjects and techniques. Each member can enter ONE panel of prints. The entry must consist of six prints, which are linked by a common theme or consistency of style. Prints should be numbered in the order in which they are to be presented. Each print is to be no more than THREE years old.

There is no minimum size for prints but they must be mounted. The maximum mount size is 50cm x 40cm.

The Print Panel must be home processed prints. All prints must be the unaided work of the photographer, although the original negative or slide can be trade processed. Entries must be submitted in advance in accordance with the programme.

Assessment

- The judge will receive the entries prior to the competition evening for assessment, and allocate marks as follows:
- 1) Each picture out of 10 with consideration given to composition, appropriateness of lighting, appropriateness of techniques used as well as the quality of the print
 - 2) A further mark out of 10 for the cohesiveness, presentation and layout of the panel.
 - 3) A further mark out of 10 for the breadth of techniques used.

The total will be out of 80 marks. The entrant with the highest total for their panel will receive:

The Edith King Memorial Trophy

NB The general rules also apply.
